# Youth Mentoring Program

## Common Mentee Goals

Each mentee chooses their own short and long-term goals that they would like to work on throughout the mentorship. Some of the most common goals are listed below. If the mentee does not speak English, learning and practicing English will likely be the primary goal of the mentorship.

### Education

- Tutoring
- Figure out which courses to take
- Become competitive for college
- Apply for college and financial aid
- Tour college campuses
- Learn/Practice English

### Career/Vocational

- Learn how to build a resume
- Gain interview skills
- Learn how to find and apply for jobs
- Learn about professional expectations/norms
- Transition to a new job
- Explore career options

### Social/Cultural Engagement

- Visit museums and historical sites
- Attend community events/classes
- Tour downtown and other social hubs
- Join clubs, such as sports
- See live music, go to the movies, visit the park
- Learn how to run basic errands
