

2020 World Refugee Day – Austin CALL YOUR MEMBERS OF CONGRESS:

WHY YOU NEED TO CALL:

As we mark the 40th anniversary of the historic Refugee Act of 1980, which created the framework for refugee resettlement in the United States, we are seeing increasing attacks on the refugees that call the United States home. The federal government has been consistently decreasing the number of refugees being resettled in the US, and Governor Greg Abbott has tried to halt resettlement in Texas altogether. **Call and ask your Senator and Representative to co-sponsor the bipartisan resolution that commemorates the 40th Anniversary of the Refugee Act of 1980** to celebrate the accomplishments of our refugee communities and reaffirm our support for them.

The COVID-19 pandemic has also disproportionately affected the most vulnerable in our communities, including refugees. With previous stimulus packages discriminating aid based on citizenship and immigration status, it is imperative that those resettled here can access much-needed relief. **Call upon your Senators and Representative to Provide a supplemental \$642 million for the Office of Refugee Resettlement (ORR) in FY2020** so that we can support and stand with refugees in our communities.

Now is the time to take action. Through calling your Senators and Representatives, organizing meetings, spreading the word on social media and throughout your communities, we must make it clear that Americans stand with our refugee neighbors and welcome them.
